

SUPERTOOTH VOICE

Bluetooth™ HandsFree Kit

I'm talking !!!

I say the name of the person who is calling.

You just say "ok" to pick up the call

- Text To Speech (names, numbers and status)
- Automatic phone book transfer
- 6 languages selectable from vocal menu (US English, British English, French, Spanish, Italian, German)
- Full Automatic reconnection
- Full Duplex (both parties can talk simultaneously)
- Full DSP noise cancellation / echo cancellation
- Voice control to pick up the call

Thanks to the TTS technology (Text To Speech), the SuperTooth Voice, Bluetooth hands-free car kit says the name of the person who is calling. The Vox function enables you to just say "OK" to pick up the call. Thus, you keep your eyes on the road and your hands on the wheel, for a safer driving. It doesn't need any installation and is equipped with a brand new auto-reconnection system, for an outstanding comfort of use.
